Legislation 25-08

No. 1498/ Bangalore 5th July 08

Sir,

I have the honour to forward herewith a copy of a short Bill to further amend the Mysore Land Revenue Code, 1888, by inserting a new section after section 210.

The object of the amendment is to empower the Govt. to entertain any appeal in class of cases which the Revenue Courts dispose of themselves (i.e. by a Committee of Council) or relinquish any such appeal when necessary to the Revenue Courts. Such a power, analogous to that possessed by all High Courts & Chief Courts & even by District Courts under Sec. 24 of the new Code of Civil Procedure 1908 is obviously a desirable addition to the ordinary revenue procedure. It is also very urgently required just now in order that the Revenue Courts may have sufficient relief from the ordinary duties to be able to devote adequate time and attention to this famine work, which is on the increase

3.

The above measure will entail a small consequential amendment of the Rules of Council ~~Business~~, viz. the insertion after the word "thereof" in Rule 12(1) of the words "as also of appeal petitions from the Revenue Court under Sec. 210A. The amendment will be separately notified.

~~I have also~~

It is proposed to introduce the Bill and pass it at an emergent meeting of the Legislative Council that has been called for Friday the 8th instant. In view of the urgency of the measure, I beg you will kindly obtain the sanction of the Court of Wards by wire, in anticipation of the passing of the Bill at such meeting.

(Yours sincerely)

Leg: 25-08

Statement of Objects & Reasons

The object of the amendment is to empower the Government to withdraw from time to time any appeal or class of appeals from the file of the Revenue Courts and dispose of the same by itself i.e. (by a Committee of the executive Council) or retransfer any such appeal when necessary to the Revenue Commissioner. Such a power, which is analogous to that possessed by all High Courts, Chief Courts and District Courts under Sec 24 of the new Civil Procedure Code enacted for B. India has been found to be a desirable addition to the ordinary revenue procedure of the State. It is also very urgently required just now in order that the Revenue Courts may have sufficient relief from his ordinary duties to be able to devote adequate time and attention to his famine work which is on the increase.

The above measure will contain a small consequential amendment of the rules of Court and will be done separately by a notification

D.O. No. 809 From the A. Resident Coorg

To the Dewan of Mysore

6th Feb 1909

Dear Sir Seshadri Rao,

I am desired to acknowledge the receipt of your D.O letter No. 1533 dated 14th January 1909 and, in reply, to state that Mr. Moore's letter of the 9th January 1909 was not intended to suggest that appeals withdrawn from the Revenue Commissioner under the new Section 210 A, of the Land Revenue Code should be disposed of as schedule cases. What was meant was that proposals for the withdrawal

of cases from the Revenue Commissioner or for the re transfer of such cases to the file of that officer should be dealt with as schedule cases i.e. that such proposals should require the orders of His Highness the Maharaja.

Leg 25-08

Bangalore,

D.O No.1592. 11th February 1909.

from the Dewan to the A. Resident

Dear Mr. Copeland,

I am in receipt of your D.O. letter No.809 dated 6th/9th February 1909 explaining, with reference to my D.O. No.1533 of the 14th January 1909, that what was suggested in Mr. Moore's letter of the 9th January 1909 was that proposals for the withdrawal of cases from the Revenue Commissioner or for the re-transfer of such cases to the file of that officer should be dealt with as Schedule cases.

I agree that any proposals for withdrawing any classes of cases from the Revenue Commissioner or for retransfer ring any such classes of cases to that officer may be dealt with as Schedule cases, to be considered by the Council and requiring the orders of His Highness the Maharaja. But in order to give the Revenue Commissioner the relief which he requires just now — which is the immediate object of the present amendment to the Land Revenue Code — it may be necessary to withdraw some cases of all classes pending before him and later on it may be found possible to re-transfer some of such cases to him, and I am not sure that it is necessary to treat as schedule cases proposals for the withdrawal or re-transfer of such individual cases.

Yours sincerely,
Sd/- V.P. Madhava Rao.
